- BOQ & Estimation Basics
- Site Supervision

PROFESSIONAL STRENGTHS

- Design Communication
- Attention to Detail
- Problem Solving
- Team Collaboration
- Time Management
- Document Organisation

PROFESSIONAL PROFILE

Final-year Bachelor of Architecture student with 2 years of practical experience as a Junior Architect. Skilled in architectural drafting, design development, 3D modelling, rendering and presentation documentation. Combines technical accuracy with functional planning and strong visual communication across academic and professional project work.

PROFESSIONAL EXPERIENCE

Junior Architect | Ingenious Architect Firm

1 year - Present

- Prepare architectural plans, elevations, sections and drawing revisions in AutoCAD for ongoing projects.
- Develop detailed SketchUp models and create presentation-quality visualisations using D5 Render, V-Ray and Enscape.
- Support space planning, concept refinement, material studies and preparation of client presentation boards.
- Maintain coordinated drawing sets, update project documentation and incorporate feedback from senior architects.
- Contribute to timely project delivery through organised file management, teamwork and attention to detail.

Junior Architect | Manusa Architect

1 year

- Assisted with architectural drafting, working drawings and design documentation for project submissions.
- Created 3D models, rendered views and presentation sheets for internal reviews and client discussions.
- Prepared drawing revisions and incorporated design feedback across different stages of project development.
- Supported senior team members with layout development, visual communication and project file organisation.
- Delivered accurate drawings and presentation outputs within assigned timelines.

SELECTED PROJECT EXPERIENCE

- **Sardarpur Villa, Patna** - Residential villa planning, design development, drawing coordination and 3D visualisation.
- **RK Niwas, Pune** - Residential planning, working drawings, elevations and presentation development.
- **Kokan Villa, Pune** - Concept planning, spatial organisation, architectural detailing and visualisation.
- **BKC Pantry, Mumbai (Ongoing)** - Independently handling planning, structural coordination and electrical layout development.
- **Additional Projects** - Multiple residential and commercial projects currently in the pipeline.
